Get to Know RideECO!

Share the Savings

Meet RideECO— the region's only locally-based, nonprofit transit benefit program. Designed to generate savings for employees and employers, RideECO provides Easy Commute Options, plus:

- It's accepted by all major regional public transportation systems.
- It makes an attractive addition to employee benefit packages.
- It encourages the use of environmentally friendly transit and vanpool options.

Savings add up!

Find out how much you can save with the Savings Calculator at www.RideECO.org.

Commuters can save nearly \$1,000 every year by using pre-tax income to cover the costs of transit.

Employers can save more than \$230 per employee, per year by reducing payroll taxes with each dollar their employees deduct; RideECO is not subject to FICA, Unemployment or Workers' Comp.

Flexible funding options:

- Employees pay for RideECO benefits through pre-tax payroll deductions.
- Employers subsidize RideECO benefits in addition to employee compensation.
- Employers and employees can share the costs.

Pick a Program

RideECO

The smart solution for smaller businesses.

RideECO Select

The premium choice for larger businesses.
